### Remarks

Welcome to Sands Point on fabulous Longboat Key: A unique mid-century modern gem situated behind the gates of Longboat Key Club on a tranquil stretch of beach along the sparkling Gulf of Mexico and the inlet of New Pass. This 2 bdrm/2 bath walk-out looks out to the sparkling turquoise waters and you can stroll right out from your back patio in the sugary sand to the one of a kind beachside pool. The gorgeous, wide beach just beyond is complete with tiki huts and loungers for your absolute enjoyment. A perfect spot to sit back and enjoy this incredible coastal paradise. The community lives like a resort and offers it's own little marina, there is a waitlist for slips but it provides a great spot to fish from the seawall, or launch your kayaks and paddleboards. When you're ready for more, just over the bridge is world famous St.Armands Circle filled with restaurants and shopping and the cultural mecca of downtown Sarasota is just moments from there. Schedule your private showing and come imagine what true island living on Longboat Key is all about.
